## Worksheet 2

# Boris, Bonnie and Greedy Sign Making

Bonnie makes a sign to let people know the pup has been found. Design and create your own lost or found sign. It might be about an animal, a person or a treasure of some sort.

Don't forget to include information such as:

- Where it was lost/found
- Who to contact
- If there is a reward involved
- Any special things which identify the lost or found object
- A drawing or photo.

You can practice on the sign below before making your sign from paper.
