

# THE THREE LITTLE PIGS

## Worksheet 4 – A Moral Story

‘The Three Little Pigs’ is a fine example of a moral tale - a tale that entertains, but also tells you how to live your life. Think about all the stories that have a lesson or a ‘moral’. For example:

### ***The Hare and the Tortoise***

Moral: Slow and sure wins the race (or patience and concentration pay off).

### ***Little Red Riding Hood***

Moral: Do what your parents tell you, or you may be in great danger.

### ***A Christmas Carol (the story of Scrooge)***

Moral: Don’t be mean. Love other people and improve your life.

### ***The Fisherman and his Wife***

Moral: Don’t be greedy. Your greed can be your undoing.

Use the space below to draw a picture from a story you know that has a ‘moral’. And add what the moral is as a caption.
