Design a Glossary

A **glossary** explains to the reader the meaning of some of the words in the text that are associated with the topic. This story is the true tale of an extraordinary adventure in a yacht.

Match the following words associated with the topic to their meaning and then choose one word to illustrate.

	Word	Meaning	Illustration
keel		A small boat, usually with sails, built for racing or leisure	
hull		An upright wooden or metal pole that is attached to the sails	
sail		A timber bar built under a boat and used to keep it steady	
yacht		A sheet of canvas spread out to catch wind to propel a boat	
mast		The frame or body of a boat
